Longmont-based **Granny Smith's Colorado** has again been selected by the Hotel Boulderado as a "Preferred Vendor."

The **Hotel Boulderado** chooses local businesses to include on its list based upon their professionalism, reliability and overall value. The hotel provides this list to its clients who may be planning an event at the Hotel, such as a wedding, as a tool to help save time finding the right vendors. Granny Smith's Colorado is among approximately 30 companies to be on the list this year [*and the only gift basket company!*].

Granny Smith's Colorado was also chosen to provide welcome gifts for the first hotel guests at the grand opening of the **Longmont Marriott Residence Inn** and the **Longmont Courtyard by Marriott**.

"For years we have been providing gift baskets for guests of the three Boulder Marriott hotels, so we are extremely pleased to welcome the Marriott to Longmont and honored that the hotel management chose our gift baskets to

welcome their guests," said owner Joanne Wheeler Smith. "We are also honored that the prestigious Hotel Boulderado trusts and values the work we do enough to invite Granny Smith's Colorado to be among such a select list of businesses. The reputation we have built over the last 11 years for enthusiastically providing a superior product at a fair price makes a difference to all of our clients."

Granny Smith's Colorado has been creating business and personal custom and Colorado gift baskets and decorative gift boxes for all occasions since 1991.
